June 24, 2026

School Polar Fleeces

We are thrilled with how these look, and have admired the pride students are showing in them. They especially look good with the school beanies, on sale for \$10. 😊

We have had some queries around the old polar fleeces and we are more than happy to give those to members of our school community to keep. They are perfect for wearing on the farm, in winter. All we ask is that they are not worn out in public, or to school, as we are only wanting the newer branding worn. You are welcome to as many old ones as you like, including ones that are too big that kids could grow into.

Thanks Amanda Hocken

We have been very fortunate to have had an excellent student teacher working within our school for several weeks this year. Friday is Amanda's last day as a student teacher here and having worked alongside many student teachers in my career, a school really benefits when you get a good one. We have had a good one and as well as saying thank you to Amanda, we say good luck as she starts full time work, as a teacher, in Term 3.

Kim Kai

Kim Kai is going well. The sausage and bread option is proving popular and Milos are also good sellers.

A reminder to get orders in by Thursdays.

We try not to hold a lot of stock, so we can not guarantee we can fulfill late orders.

School Beanies

They are for sale again this winter, at the bargain price of \$10.

Talent Show Auditions

The line up is complete. Students are practicing and we look forward to 1.45pm, on the last day of term.

Mataraki Shared Meal and Quiz

We are very much looking forward to this tomorrow. See you all from 5.05pm. Shared meal, followed by quiz. So you can study up, there is a Wests Tigers question, a question about chickens, another about a great sitcom in the 80s with a cat eating alien, a question about angles, and one about arguably the greatest Australian rock singer of all time.

See you there 😊

Year 7 and 8 Programme

The weekly tech sessions for Year 7 and 8 will start on Monday 20th July, which is day 1, next term. The students go into Feilding Intermediate and do a variety of things including wood technology and cooking. Students will need to wear fully covered shoes to tech and bring with them their morning tea, pencil case and a clear file. Long hair also needs to be tied back.

Also in Term 3 will be a Cluster Camp at Sixtus Lodge, for the Year 7 and 8 students across the cluster. The dates for this are September 17 and 18.

Student Success

Alex, Ashlee-Rose and Maddie all competed at the Makino Swimming Carnival on Saturday. They had great fun and great results. Results below are all 25m for their age groups. Well done to the three of them.

Alex placed 1st in Butterfly Kick; 1st in Freestyle; 1st in Backstroke; 1st in Breaststroke

Ashlee-Rose placed 2nd in Freestyle; 3rd in Backstroke

Maddie placed 1st in Freestyle; 1st in Backstroke; 2nd in Breaststroke

KIMBOLTON SCHOOL MATARIKI POT LUCK DINNER **AND QUIZ 2026**

- Dinner will be 5.30pm and we will aim to start the quiz at about 6.15. The aim is to be finished by 7.30pm.
- A movie will play in a classroom for any students that come along.
- Make up your own teams, or give us your name and we can add you to a team.
- Students can be in your team, but the questions are not specifically designed for kids.
- Uncles, aunts, grandparents etc are welcome to attend and be part of your team.
- The quiz is not about Matariki. There will be at least one question on the Wests Tigers and at least one farming question.

*Winning team receive a \$150 school credit,
shared across team members.*

THURSDAY JUNE 25 FROM 5.05pm

PET DAY IS COMING

Friday, October 30

unleash the potential of all
