

KIMBOLTON SCHOOL

March 23, 2022

I thought that I would share with you our school vision. The vision is,

"To unleash the potential of all."

This is characterised by students, staff, whānau, community and the board all experiencing success.

Within this vision we have identified different ways that contributions can be made. See below the expectations I have on our teaching staff, to ensure that we can unleash the potential of all.

- Provide a high quality innovative curriculum.
- Show enthusiasm and foster a love of learning
- Receive timely, intensive support, of high quality
- Have high expectations of themselves and their students
- Are committed to their own professional growth
- Work in partnership with parents/caregivers
- Are positive and professional

Again at the time of writing this blurb, we have no students yet with Covid. It is quite remarkable when you look at how impacted so many schools in NZ have been. Fingers crossed that we continue to ride our luck.

Suddenly, a strong tiger stood face to face with a frightened zebra.

It roars like a deer

Its breath is as hot as a stinky pie

Its teeth are as sharp as a knife

Its tongue is good for eating things

Its claws are sharp as teeth

Its fur is as thick as a cat

Its eyes gleam like everyone

Its body is as powerful as the power

Its mouth opens wide like a shark

And the legs of the frightened zebra shake like earthquake

*I am funny and sporty.
I wonder why swimming is refreshing.
I hear farm dogs moving sheep.
I see delicious venison.
I want the Blues to beat the Chiefs.
I am funny and sporty.*

*I pretend to play games on my chromebook.
I feel sad when the Blues lose.
I touch the moon on a starry night.
I worry about friends and family
I cry when I get injured.
I am funny and sporty.*

*I understand why sushi is disgusting.
I say everyone should eat lettuce.
I dream about cars.
I try to be caring.
I hope the Blues win.
I am funny and sporty.*

Suddenly, a strong tiger stood face to face
with a frightened zebra.
It roars like a forceful explosion.
Its breath is as hot as a dormant volcano.
Its teeth are as sharp as serrated knives.
Its tongue is as rough as sandpaper.
Its claws are covered with blood from
fallen enemies.
Its fur is as thick as a 14 cm piece of concrete.
Its eyes gleam like lost stars in the night sky.
Its body is as powerful as a tsunami on a
stormy day.
Its mouth opens wide like a gaping chasm.
And the legs of the frightened zebra shake
like a forceful earthquake.
