SCHOOL EST 1889

Mahi tahi i roto i te hoa tanga,
me te whanaungatanga
Working together, with friendship

What a great day last Friday was. Although we were unable to accommodate the entire cluster, it was great to see some sporting activities and battles taking place at the Makino Pool. I was exceptionally proud of our students. Whilst it was great to see some of our students winning, the highlight for me was the perseverance and commitment to do their best. Through the water you could see grimaces on some faces, as arms got tired and breathing became challenging, but the students always got to the end. It was an enjoyable and successful day.

Congratulations to Mount Tongariro on their victory in last year's house challenges. They enjoyed a lunchtime swim yesterday, to celebrate.

As I type this message we are still Covid free at Kimbolton, and obviously the plan is to stay that way. You can do your part by ensuring that students that are unwell stay home. We do remind you that it is important to let us know everyday that your child is not attending school. You can do this simply by using the 'Absentee' icon on the school app or by phoning the school. Have a good and safe couple of weeks.

Greg

School Values.

If you look at the poster that has come home today, and scan down the right hand side, you will see 36 actions linked to our values that we are promoting at Kimbolton School. It is our strong desire that all students leave at the end of Year 8 understanding and displaying these actions. Feel free to refer to these things at home, as that will reinforce the work we are doing at school. For example if your child is displaying one of the actions, refer directly to that. "It was great seeing you....."

Swimming Sports

The cluster swimming sports went ahead last Friday, in a limited capacity. It was great to be able to offer this opportunity to some of our students. Those that represented us, made us proud.

A special congratulations to Keeliarn, who finished second overall in the Intermediate Girls, Eddie who finished third in Intermediate Boys, and to Nate, Lane and Cohen who finished first, second and third respectively, in the Senior Boys.

WAKA Draw

Well done to the following students who have been drawn out of the WAKA Draw box recently. Monty x 2, Lucas, Lily, Owen, Milla, Indie, Vincent and Neave.

Community Picnic

Thanks to those of you who made last week's school community picnic. From our perspective it was an enjoyable evening with good weather and a few laughs. It was also good that Greg burned a lot less food this year. He continually promotes learning from our mistakes and demonstrated this with increased concentration at the bar be que.

Assemblies.

We have made the decision to just hold off on assemblies for the next couple of weeks, as we attempt to navigate our way through Covid.
