

KIMBOLTON SCHOOL

November 9, 2022

What a fantastic day that we had on Friday. For me personally, I loved seeing the community get together and socialise, whilst being able to see the effort and care that students had shown in raising their lambs and calves. It was also great to see our friends from the Kimbolton Early Learning Centre being able to join us. Days like Pet Day do not just happen and I pass on my thanks to all those people who made the day the success it was. That includes judges, KSSC members, staff and the parents who provided the scrim for the rings. Results from some sections are below, and the indoor exhibit results will be emailed out in the coming days. Whilst the day appeared to go well, feel free to come and see Greg with any feedback you may have. The Stewart Bradley Trophy for Stockmanship went to Keeliarn Clifton and we congratulate her on this achievement.

Photos from the day can be found on our website.

The coming six weeks are a very busy time at Kimbolton School and I encourage you to use your community calendar to keep on top of things. You are also always welcome to contact us with any queries you may have.

Greg

Parent Teacher Conferences

Thank you to those parents who came to their conferences yesterday. If you have any feedback on how these went, feel free to come and see Greg.

Oroua Disco

Information for this was sent out last week. Here is the information again.

Oroua Disco will be held at the Apiti Hall, Makoura Road on Friday 11th November.

Times are, Year 1-4 5.30-6.30 Year 5-8 7-8.30 Dress up theme is your Initials of your name, first or last name.

Apiti School Fundraising Committee will be selling food, drinks and glow sticks for the kids.

School Photos

The school photo proofs have arrived. Please call into school and take a look and place your orders. These must be done by November 18.

we
unleash the potential of all

**KIMBOLTON
SCHOOL**

Senior Camp

We look forward to sending Room 1 off to Wellington, for camp, on Tuesday.

Oroua Athletics

Specific times around this will come out when we receive them, but this is on Friday, November 25. It will be in Feilding, at Timona Park and parents will be expected to take their children straight to the event. School buses will not run on this day.

The junior athletics tend to finish more quickly than the other events but we do encourage families, and students to stay all day and support their school mates.

Kimbolton Shirts and hats must be worn on this day.

Stationery Charges for 2023.

Here at Kimbolton we understand that life can get a bit expensive at times, and to show support to our valued families we have decided to provide stationery for students in 2023 for free. The only charges that you may incur are if your child fails to display our value, “ We look after our learning tools.”

Athletics Fun Day and Senior Stalls.

The decision has been made to permanently move the senior stalls from Pet Day. Last year, due to weather we moved these and had them after a fun athletics morning at the domain. This fun day is now a regular event in Term 4, and will be followed by a picnic lunch and the senior stalls back at school. Further details will come out, however for now mark Tuesday, November 22 in the calendar and we look forward to seeing you there. If there is enough interest we are open to adding a couple of adult teams into the tabloid section of the morning fun, so let your child's classroom teacher know if you would like to be put into a team.

William Pike Opportunity

Whilst Greg is available for an open discussion around this on Friday after assembly, a form came out yesterday to get names for this fantastic opportunity for Year 7 and 8 students, in 2023.

After School Service

This has now started. If you have any feedback during the next few weeks, feel free to call in and see Greg. If you have not received consent forms for this, and wish to start using our after school service, let Greg know.

Firewood Raffle

"There are tickets still available for the firewood raffle. \$700 worth of split wood for just \$2/ticket" This is a KSSC fundraiser. This raffle will be drawn at the Assembly on December 2. Feel free to send in some cash, if you wish to purchase tickets.

KSSC: Kimbolton School Support Committee

Wow, what a busy few weeks it's been and a busy 2 weeks ahead for KSSC fundraising!

Firstly a big thanks to Heidi Morton, Nat Masters, Olivia Manley, Sara Martin, Liz Bright and Greg for giving 5 star service at the national blow cart awards In Feilding a couple of weeks back. They raised \$800 for 4hrs work. Great Mahi! Pet day, what an awesome day everyone had in the sun with not too many burnt sausages and zero wasted venison. Thanks to all the whānau that helped on the bbq. Countdown Feilding and Hellers Sausages were very generous sponsors for that day.

Cross Hills Fair is on 19 Nov. The roster is out for running the car parking areas. Anyone and everyone that can spare some time please put your name down. No experience needed just a smile on ya face and some easy mahi for great Koha. All money raised goes straight back to our children at school! Next meeting is Monday 21st Nov at 7pm at the school. Everyone is welcome. Please feel free to contact me (02040704185) for any questions and comments. Or Heidi Morton (secretary) or Sara Martin (treasurer).

Ngā Mihi, Janelle Gillum

Kim Kai

Milo is no longer available for Kim Kai. With the year drawing to an end we ask that if possible you pay cash, over entering credit. Later this week you will receive a note stating the credit you have left. Dates left for Kim Kai are November 11, 18 and December 2. We thank you for your support with Kim Kai over the year.

Values

The two values we are focusing on over the next three weeks are....

We show **empathy** towards others

| | | |
|---|---|---|
| Kindness <i>Māhaka</i> | We interact with respect. | We acknowledge abilities and experiences. We listen to the views of others. We respect boundaries. |
| We are helpful and considerate. | We show empathy towards others. We are tolerant of others. We use our initiative to support others. | We ask for help when we need it. We offer to help others when they need it. We look after learning tools. |
| We care for property, ourselves and others. | | |

We **cooperate** with each other to learn

| | | |
|--|--|---|
| Achievement <i>Pānekiretanga</i> | We want to learn more and know more. | We are always curious. We acknowledge try to improve. We work together and cooperate. |
| We allow ourselves and others to achieve their best. | We remain focused on learning. We are respectful and prepared for learning. We cooperate with each other to learn. | We think for ourselves and others. We ask for help when we need it. We help others when they have done a good job. We work together with respect and honesty. |
| We acknowledge and celebrate success. | | |

2023 School Dates

Below are the confirmed dates for 2023. We have no teacher only days, during school terms. To avoid disruption to families, these will be done during non term time.

Term 1 Wednesday 1st February - Thursday 6th April (94 half days)

Term 2 Monday 24th April - Friday 30th June (94 half days)

Term 3 Monday 17th July - Friday 22 September (100 half days)

Term 4 Monday 9th October - Friday 15th December (98 half days)

2023 Class Placements

There has been a bit of talk around class placements for next year. Nothing at this stage is confirmed. Class placements and year levels within classes are not always the same each year. It depends greatly on class numbers and projections moving forward. We work hard to ensure that we can accommodate new enrolments without having a huge difference in numbers between classes. We anticipate classes for next year to be announced in the last few school days of 2022. If you know of any new enrolments we may not be aware of, we'd love you to let us know.

Enviro Update

A partial renovation of the garden below the sandpit has been a project completed this past few weeks during Enviroschools learning. The original garden was planted by Anwyl Minnaar (our first Enviroschools teacher) and students back in 2005. The area was previously lawn before being developed into a garden for birds, as well as the Opus Engineering project of building Kopaina, our sunbathing tuatara. Sarah Hirini was one of the students who built Kopaina!

The garden was a popular play space before being fenced off. Blackberry and other weeds had made their way into the space. Students dug and removed unwanted plants and have replaced them with 3 native varieties including a hebe named Elizabeth which we planted in memory of Queen Elizabeth II, a second hebe with lilac flowers for bee food and pohutukawa shrubs.

We appreciate the support and funding we receive from the Hunterville Vet Club which was used to purchase the plants.

Pet Day Results - Lambs

| Care and Attention | 1st | 2nd | 3rd | Highly Commended |
|--------------------|-----------------|-----------------|------------------|------------------|
| Preschool Lambs | Mae Jenkins | Ruby-Mae Luckin | Dustin Elliot | Luke Brennan |
